SEPTEMBER 2010

Corinthian Capital Group, LLC, a New York-based private equity firm specializing in investments in small and middle market companies, has completed the recapitalization of Valley Tool & Manufacturing, Inc., which will operate as an affiliate of STADCO, a portfolio company of Corinthian Capital. Valley, based in Orange, CT, manufactures a wide range of products for the commercial aerospace and defense industries, including precision machined parts, fabricated components, welded structures and intricate assemblies.

Dennis Murray, President of Valley, said, “We are excited about partnering with Corinthian, as well as STADCO, as we enter the next phase of our company’s growth. Our seasoned management team will continue to operate the company and further advance our operations and services.”

“Together with STADCO, Valley is well-positioned to continue the strong growth it has experienced over the past several years,” said Peter Van Raalte, Senior Managing Director of Corinthian Capital. “We’ve had the opportunity to get to know Valley’s impressive management team and we are confident that our new partnership will help Valley and STADCO enjoy even greater success.”
